Community Name:

Unincorporated West Menlo Park

What is your Community of Interest?

I am a resident of unincorporated Menlo Park ("West Menlo Park"). Currently, West Menlo Park is lumped together with coastside cities, while our community of interest is very much Menlo Park. I understand that some are advocating to keep unincorporated areas together, but it would love for West Menlo Park and Sharon Heights to be included in the same district as Menlo Park proper.

Thank you!

Where is your Community?

Unincorporated West Menlo Park is already geographically defined on current county maps.

How is your Community Impacted?

Because unincorporated West Menlo Park is not represented by any city council, any Board of Supervisor decisions that apply to the county lands affect our neighborhood.
