Subject: Map Layers and Populations

CAUTION: This email originated from outside of San Mateo County. Unless you recognize the sender's email address and know the content is safe, do not click links, open attachments or reply.

Request the map tool for the 2020 census include:

1. A layer for each city, town, census-dedicated place, and unincorporated communities in the table listed below. Separate city or town voting districts, if applicable.
2. A layer for each school district and separate voting districts, if applicable.

Request the 2020 census populations in the table City/Town table below.

Request clarification. For example, the city of San Mateo is currently in District 2. There are persons that have a mailing address of San Mateo but they do not live within the City of San Mateo. They are in the unincorporated county.
